

WET / DRY VACUUM CLEANER NTS80

CHARACTERISTICS

- Dirt container with 10.83 gal capacity
- Tilting carriage incl. bracket for easy movement (2 Swivel castors, 2 Fixed castors)
- Stable, long-lasting stainless steel container
- Powerful, low-noise 1400 W motor provides for a particularly strong suction power
- The equipment is included as standard
- Electrostatic dissipative plastic handle

GENERAL

Type	Unit	Value
Model		NTS80
Dimensions		20.08 x 23.62 x 38.98
Diameter of cylinder body	"	15.94
High of cylinder body	"	23.03
Cable length	"	5.91
Total weight	lbs	50.7
Dust-/ wastewater tank	gal	10.83
Length waste water hose	"	25.20
∅ waste water hose	"	1.38
Length Hoover hose	"	92.52
∅ Hoover hose	"	1.77

PERFORMANCE

Type	Unit	Value
Airflow	gal/s	14.43
Suction power	mbar	150
Suction engine power	W	2 x 700
Sound pressure level	dB (A)	89
Rated voltage	V	120
Frequency	Ah	60

No.	Name
1	Hose
2	Steel pipe
3	Dust nozzle
4	Water nozzle
5	Flat nozzle
6	Round nozzle
