

HAND PALLET TRUCK HWM2500

CHARACTERISTICS

- Manoeuvrable and stable hand pallet truck for transporting goods with up to 5512 lbs
- Thanks to the low tare weight (119.05 lbs) the pallet truck is easy to handle
- The forks are with their length of 45.28 " perfectly suitable for Euro pallets
- The lever on the drawbar allows the moved goods to be lowered steplessly to the desired position
