- Three individually switchable suction motors ensure flexibility
- Extra large 80 l stainless steel dust container
- Various accessories for different applications
- Reliable cleaning of dry and damp dirt

### GENERAL

Type	Unit	Value
Model		NTS80
Size	mm	510 x 560 x 1082
Diameter	mm	440
Turning radius	mm	280
Cable length	m	7.80
Total weight	kg	32
Dust-/ wastewatertank	l	80
Length waste water hose	mm	650
∅ waste water hose	mm	40
Length Hoover hose	m	2,70
∅ Hoover hose	mm	45

### PERFORMANCE

Type	Unit	Value
Airflow	l/s	120
Suction power	mbar	250
Suction engine power	W	3 x 1000
Sound pressure level	dB (A)	80
Rated voltage	V	220 - 240
Frequency	Hz	50 - 60

No.	Name
1	Suction hose
2	Attachment holder
3	Connector
4	Steel tube
5	Dust nozzle
6	Wet nozzle
7	Flat nozzle
8	Round nozzle
