

RECYCLING STATION MTS120

FEATURES

- The four colours, blue, black, green and yellow, ensure clear waste separation.
- The four removable waste bins allow easy emptying of the waste separation system.
- The silver opening flap above the waste bins closes automatically, preventing odours from escaping.
- The built-in cylinder locks allow the coloured doors to be locked.
- The shapely bin fits into almost any environment and can accordingly be used in schools, hospitals, offices and public facilities.
