

ASHTRAY TRASH CAN

CHARACTERISTICS

- The litter garbage can with integrated ashtray is ideally suited for use in covered outdoor areas.
- The robust stainless steel easily withstands impacts and is designed to be extremely durable.
- The two holes on the back of the bin allow for easy wall mounting.
- Easy emptying of the ashtray, thanks to the fold-up cigarette grid.
- Large volume of the inner container ensures infrequent emptying of the waste garbage can.

TECHNICAL DATA

Type	Unit	Value
Height	mm	510
Diameter	mm	250
Weight	kg	3
Volume	l	15
Style		Round
Material		Stainless steel
Color		Silver
Range of use		Outdoor
