

ELECTRIC GOLF CART GCE2/2

CHARACTERISTICS

- High maximum speed of 28 mph, thanks to the powerful 4 kW electric motor
- Large ground clearance guarantees comfortable driving, even on uneven terrain
- Two padded seats, an ergonomically shaped steering wheel and large storage areas for maximum comfort
- Front spotlights ensure good visibility even at night

Type	Unit	Value
Brand		SolidHub
Model		GCE2/2
Width	"	44
Depth	"	112
Height	"	72
Roof length	"	94
Weight	lbs	1014
Battery weight	lbs	6 x 66
Max. load	lbs	1102
Tire material		Pneumatic tires

ELECTRICS

Type	Unit	Value
Engine	kW	4
Rated voltage	V	6 x 8
Rated capacity	Ah	150
Luminous flux headlamp	lm	850
Charging voltage	V	48
Charging current	A	25
Charging time	h	6
Operating time	h	2

DIMENSIONS

Type	Unit	Value
Wheel track front	"	33
Wheel track rear	"	39
Wheelbase	"	65
Wheel diameter	"	17
Min. ground clearance	"	4
Turning radius	"	114
Size license plate front	"	13 x 2
Size license plate rear	"	11 x 3
Width windshield	"	40
Height windshield	"	35
Seat height front	"	16
Seat height rear	"	19
Height backrest front	"	17
Height backrest rear	"	14
Seat width front	"	40
Seat width rear	"	42
Height side backrest rear	"	11
Depth step plate rear	"	16
Height rear cargo area	"	15
Size footwell	"	43 x 17
Size glove compartments	"	10 x 8 x 6

PERFORMANCE

Type	Unit	Value
Max. speed	mph	28
Gradeability	%	30
Braking distance at max. speed	"	157
Max. range	mi	56
