

SCRUBBER DRYER SWM50E

CHARACTERISTICS

- Display panel for easy operation
- High agility thanks to the compact design
- Long-life components and strong corpus
- Motor with high efficiency 550 W for a perfect result
- Designed for areas up to 2200 m²/h
- Work wirelessly thanks to the integrated 2 x 12 V batteries

CHARACTERISTICS

Type	Unit	Value
Brand		wipeket
Model		SWM50E
Fresh water tank	L	45
Wastewater tank	L	50
Weight without Battery	kg	95
Weight with Battery	kg	162
Weight Battery	kg	67
Detergent		Neutral / alkaline all-purpose-automatic cleaner

DIMENSIONS

Type	Unit	Value
Size	mm	1275 x 775 x 960
Width of the wiper bar	mm	762
Brush disc diameter	mm	490

PERFORMANCE

Type	Unit	Value
Cleaning area	m ² /h	2200
Speed washing brush	rpm	200
Pressure of the washing brush	kg	25
Suction engine power	W	550
Brush motor power	W	550
Sound pressure level	dB	78

DRIVE

Type	Unit	Value
Battery	V	2 x 12
