

PET STRAPPING PET2000

CHARACTERISTICS

- High tear resistance of 3,350 N for demanding packaging jobs
- Consists of 99 % recyclable material and is 100 % recyclable
- Compatible with most strapping tools
- Maximum strapping up to 2,000 m
- Weatherproof and UV-resistant

Type	Unit	Value
Belt width	mm	14.7
Tape thickness	mm	0.68
Belt length	m	2,000
Weight	kg	21
Roll diameter	mm	590
Tear strength	N	3,350
Edge tensile strength	N	3,000
Tensile strength	N/mm ²	430
Elongation at break	%	8 – 14
Colour		Green
Recyclable		Yes
Material		PET
Finish		Waffled
